

Think Science

College of Science
Saluki Science Ambassadors (SSA)
Living and Learning Community (LLC)

Presents

Research Connection

*Undergraduate and Graduate Poster Presentations from
the College of Science*

Monday, October 1, 2018

5:30-7:00 PM

**Lentz Dining Hall, Lower Level,
Last Resort Room**

Join fellow College of Science students as we enjoy an evening of research poster presentations and community. This is an opportunity for Undergraduate and Graduate students within the College to hone your presentation skills and for new students to see what research looks like here at SIU, and how to get involved and participate in undergraduate research.

Contact Zachariah Seaman, Graduate Assistant of Student Services, at zachariah.seaman@siu.edu or Duane Lickteig, Recruitment and Retention Specialist, at dlickteig@siu.edu for more information about Think Science series and Saluki Science Ambassadors.
